HISTORY & MEETINGS

The Friends of the Ballston Spa Public Library got its start on September 25, 1998, as a non-profit organization formed for the purpose of enhancing library services.

We have an annual meeting in the fall to update members on the accomplishments, future plans and financial status of the organization and to elect officers. Committee meetings take place as needed. Other meetings of the membership take place as needed. Members get as involved as they wish.

Won’t you join us?
