History & Meetings

The Friends of the Ballston Spa Public Library began in September 1998 when a small group of library lovers joined together for the purpose of enhancing library services. The Friends/FOBSPL was incorporated in the State of New York in April 2000 and was approved by the Internal Revenue Service as a 501(c)3 organization in October 2000. The FOBSPL received its Exempt Organization Certificate from New York State in September 2001. Since 1998, we have presented numerous special programs to the community and have supported our library to the best of our ability.

We currently **meet on the third Thursday of each month at 6 p.m. in the Community Room of our library.** Our membership year is a calendar year, with an annual meeting held in January. During the annual meeting, we conduct elections for the FOBSPL Board of Directors, and we present our accomplishments and financial status to the membership. Committees may be formed for special projects. Membership dues are paid on an annual, calendar basis, and members get involved to the extent they wish.
